Li Li advises and acts for private individuals, financial institutions and private companies in both local and cross border transactions. She also advises on the establishment of joint ventures and strategic alliances, sale and purchase of shares and assets, mergers and acquisitions as well as restructuring of companies and businesses.

Li Li has vast experience in acting for foreign and local financial institutions and banks, private lenders, borrowers and sponsors in loans, trade finance transactions and mergers and acquisition of shares on the security of assets situated in Singapore and overseas. Her work includes advising and structuring the transactions and drafting the legal documentation.

She also advises companies on legal documentation for smooth day to day operation of companies, including review and drafting of commercial contracts and legal and regulatory matters. In recent years, she is involved in advising companies, societies and charities on corporate governance and constitutional matters for compliance purposes.

Li Li was part of the legal team advising a consortium of Singapore companies on the establishment of industrial park in China. Li Li has spent a year working in a Tokyo law firm, advising Japanese clients on their overseas investments in Europe.

Li Li is proficient in English and Mandarin.
